Disp.: 672
 Length: 55
 Speed: 16
 Armament: 1 x 3"
 2 x MG

This diagram has been included to show the relative dimensions of a typical German landing barge. Bottom row is a converted barge, an Allied LCT (5) and an LCA. The LCT and LCA have been duplicated in the next row for better appreciation of the relative lengths and at the top is a V Type destroyer (RN).

PLEASE NOTE: this is not an attempt to prove any kind of seaworthiness and has been included to give an indication of relative dimensions only.
